

Certificate

Ethernet POWERLINK Standardization Group grants to

**TR Electronic GmbH
Eglishalde 6
78647 Trossingen
Germany**

Certificate No. 14200178

Certified Product Name	TR-CD582-EPL
VendorID	0x0000025C
Device Type	CN
HW Revision	1.00
SW/FW Revision	1.00
XDD File name / Date	0x0000025C_TR-Electronic_CD_582_-EPL_Head.xdd

Slots:

0x0000025C_TR-Electronic_CD_582_-EPL_Legacy.xdd+osdd
0x0000025C_TR-Electronic_CD_582_-EPL_TR-Profile.xdd+osdd
0x0000025C_TR-Electronic_CD_582_-EPL_ITF2_Incr.xdd
0x0000025C_TR-Electronic_CD_582_-EPL_ITF2_SSI.xdd

Test date	2022-06-23
-----------	------------

This declaration of conformity is valid for the entire product family using the identical fieldbus communication interface technology as in the tested product.
This certificate confirms that the product has successfully passed the POWERLINK certification tests conducted at an authorized test laboratory. Further this certification authorizes the product vendor to use the official POWERLINK »Certified Product« label as shown below for the POWERLINK compliant products as listed above.

The tests were executed in accordance with the following document: DS 301 V1.3.0

ETHERNET 
POWERLINK
certified product
